

Appointment of the Framatome Managing Board

The Supervisory Board of Framatome, meeting today under the chairmanship of Jean-Bernard Lévy, Chairman and CEO of EDF, appointed Bernard Fontana Chairman of the Managing Board and Chief Executive Officer.

It also appointed Philippe Braidy Managing Director, member of the Managing Board.

Bernard Fontana holds a degree in engineering from the École Polytechnique and the École Nationale Supérieure des Techniques Avancées in Paris. He has 30 years' experience in the chemical, steel and building materials industries (SNPE, ArcelorMittal, APERAM and Holcim). From February 2012 to September 2015, he served as CEO of Holcim Ltd. Since September 1, 2015, Bernard Fontana had been Chief Executive Officer of AREVA NP.

Philippe Braidy, former Head of regional and local Development and network in French *Caisse des Dépôts*, has 30 years' experience as Technical and Financial Director in public administrations (French Ministry of Budget, Prime minister's office, CEA...). Up to now he has been managing the Finance, Strategy/Innovation/Communications, Legal/Compliance, Risks/Audit, and Information Systems Functions of AREVA NP.

Framatome is a major international player in the nuclear energy market recognized for its innovative solutions and value-added technologies for designing, building, maintaining, and advancing the global nuclear fleet. The company designs, manufactures, and installs components and fuel for nuclear power plants and offers a full range of reactor services.

With 14,000 employees worldwide, every day Framatome's expertise helps its customers improve the safety and performance of their nuclear plants and achieve their economic and societal goals.

Framatome is owned by the EDF Group (75.5%), Mitsubishi Heavy Industries (MHI – 19.5%) and Assystem (5%).
