**Letter of Consent**  
**Supplement Agreement to All Contracts**

Having received, read, and understood your communication “**Information on the Reorganization of the AREVA Group - Transfer of Business in Germany**” we hereby declare as follows:

\_\_\_\_\_ irrevocably agrees that

**all contracts establishing rights and obligations - including those already performed and still subject to warranty or individual guarantee rights and obligations, as well as similar undertakings such as Non-Disclosure agreements – between AREVA GmbH and \_\_\_\_\_ shall be supplemented by the following provision:**

*AREVA GmbH is in the process of carving out substantial parts of its business and transferring those into a limited liability company under German law (GmbH) preliminarily named “New NP” by way of a transfer of business (Betriebsübergang). The corporate structure, of which New NP GmbH forms part, will subsequently be integrated into the Electricité de France (EDF) group of companies.*

*Therefore, upon prior written notification AREVA GmbH may transfer the present agreement and assign all rights and obligations arising therefrom to New NP GmbH and \_\_\_\_\_ agrees to such transfer of the present agreement and subsequent integration into the EDF group of companies, all provided New NP GmbH will be equipped with all necessary means to fulfill its obligations under the present agreement including, without limitation, qualified personnel, corresponding assets and intellectual property, bonds and guarantees, if applicable, as well as licenses/certificates potentially required.*
