

Declaration Regarding Export Restrictions, HS Product Code, Origin of Goods and Preferences

Our Reference:
Order no.:
Contractor:

Engineering Dept.:
Commercial Dept.:
Place:

Export/Re-export of the goods (commodities, software and technology) included in the above order may be subject to restrictions imposed by EC, German or US export regulations. This declaration is intended for this purpose. Additional information is requested on HS (Harmonized System) product code, country of origin and possible customs preferences.

The data to be listed below is part of our order and shall be supplied along with the confirmation of order. General notes made in offers, confirmations of order, invoices or shipping documents do not constitute compliance with the requirements of applicable regulations.
